1.0 Introduction

Trade is the engine of growth and opportunity and at DP World Dar es Salaam, we exist to make trade flow better for Tanzania, East Africa, and beyond. As part of DP World's global network, we are transforming port operations and logistics to unlock economic potential and drive regional connectivity. Strategically located along the Indian Ocean, the terminal in Dar es Salaam serves as a key gateway for landlocked countries in East and Central Africa.

We combine world-class infrastructure, technology, and local expertise to deliver efficient, secure, and sustainable trade solutions. From port operations to smart logistics, we are enabling faster, seamless supply chains and changing what's possible for businesses and communities in the region.

To this end, DP World Dar es Salaam intends to engage the services of a reputable **EPC contractors** for the Design, Supply, Installation and Commissioning of 325 kWp Hybrid Solar PV System for its Engineering Workshop. DP World Dar es Salaam is therefore soliciting Expressions of Interest (EOI) from interested qualified providers.

2.0 Background and EOI Requirements
